Sustainability

VALUE // WE HAVE THE OPTIONS – YOU HAVE THE CHOICE

The right solution for all purposes: Our modular product portfolio

PRODUCT TYPES

Industry and welded mesh

Wire baskets

Complete pull-out systems

Custom-made products

Grid systems

partition walls, frames, reinforcement, cages,
mats, shelf grids, Stainless Steel

Gabion solutions

fences, baskets, noise protection

MATERIALS

Raw / bare wires

Galvanized wires

Aluminium galvanized wires

Stainless Steel wires

MATERIAL STRENGTHS

The diameter of the wires ranges from 1.6 up to 12 mm

FINISHING & ASSEMBLY

Surface finishing – coating - galvanizing
and assembly of components

Our core industries

Our products are manufactured using modern machines **with the highest accuracy and care.**

Our machinery includes CNC bending and CNC spot welding machines, as well as punching and other high-end machines.

We produce with an efficient usage of tooling and **therefore process wires effectively and economically** into complex technical wire articles.

VALIDATION // THE RESULTS SPEAK FOR THEMSELVES

Highest customer satisfaction in all industries and long-term trust are our hallmarks

Throughout the project, WDM-Deutenberg was always extremely competent and reliable.

Project Manager Logistics Center

We were particularly impressed by the professional advice and the solution, tailored to our needs. The project was consistently positive.

Purchasing Manager Warehouse & Logistics

Project Support
